Is there anything else you would like to add to the comments made above or any other issues you'd like to raise?

- Very impressed with the school trip for the little nursery children to Longlands – they loved the change of scenery. Also I loves the update received via emails with details/pictures of what Poppy had been doing
- Thomas loved his time in Ladybird group and is now excited about starting school. Thank you for helping him to make such good progress and for caring for him so well.
- We are all thankful to you

### Market Drayton Infant and Nursery School

- I am happy with the progress. Looking forward to upping his hours in September and seeing the benefit.

### One thing you really liked about school

- Friendly environment and keeping parents well informed
- How much of a community feel there is and how all the staff are helpful and chip in – often see the Headteacher welcoming people and she has even held my baby when I've been struggling! Very impressed with the staff I've met.
- Everything is done in such a child orientated way
- Really good support given when needed
- It's got a really happy atmosphere and my child looks forward to coming to school
- Teachers/TAs are fab
- I like the blue book that lets me know what my child has been doing
- Lots of toys and fun activities my child enjoys – especially the bikes
- Teachers and environment is friendly
- The staff are all great
- How easy and approachable the teachers are
- Really happy with my child's progress
- High standards
- I like how photos/work that the children have done is on display in the classrooms

### An area you think could improve and how this could be achieved

- Nothing, so impressed with school so far
- As a parent who hasn't had a child in this school before, I feel that communication wasn't good. I wasn't given any information like dates as when to return after holidays and at times I got texts that didn't apply to my sons class which is very confusing
- More information on child's first day
- Parking – however most schools have issues with parking due to the number of pupils in residential areas. I think the drop off service is a fantastic idea
