friendships and know
who to talk to.

8

Searching and
navigating a
webpage

We learn how to search
safely and find what
we need.

7

Keeping things
private

We keep our personal
information private
and safe.

6

Data intro

We learn what personal
information is and how
to keep it safe.

5

Copyright and
ownership

We respect other people's
work and know it belongs
to them.

9

Fake news

We spot things that
might not be true
online.

10

Online bullying

We know what online
bullying is and who to
tell for help.

11

Online
reputation

We think about the
choices we make and our
online reputation.

FINISH

You are a
safe and
responsible
digital citizen!

Be kind • Be safe • Ask for help • Make good choices
